

5th Annual Barnett Shale Crawfish Boil

A Festive Afternoon of food & fun!

The oil & gas community who are developing the Barnett Shale have once again joined together with the *Boys & Girls Clubs of Greater Fort Worth* for the 5th Annual Barnett Shale Crawfish Boil, for the purpose of raising funds for deserving youth, while providing an unparalleled marketing and public relations opportunity for corporate partners within the oil & gas industry.

This year's event will be held **FRIDAY, April 23, 2010** at the River Ranch in the historic Fort Worth Stockyards, and will feature: Fresh Crawfish, Good Spirits, Live Entertainment, Complimentary Texas Hold Em' Tournament, Fresh Rolled Cigars, Special Guests, and Fun provided by TENT Sponsors in a Mardi Gras Festive Atmosphere

Our mission is to provide a casual setting, and bring all of those that are members or do business with the Oil & Gas Community together with the general public and allow them to showcase their companies and capabilities, as well as mixing and mingling with various officials from City Officials within the Barnett Shale.

All proceeds will benefit the Boys & Girls Clubs of Greater Fort Worth.
